

Declaration of Conformity

Liftkar PTR electric-stairclimber

SANO Transportgeraete GmbH takes sole responsibility in declaring that LIFTKAR stairclimbers comply with the following principle requirements:

- The medical device directive 93/42/EEC, Annex I
- The electromagnetic compatibility directive 2004/108/EC
- The health and safety specifications in the machinery directive 2006/42/EC, Annex IIA.

Any changes made to the product without our prior consent render this declaration void.

Relevant standards:

EN 12182	Assistive products for persons with disability - General requirements and test methods
DIN EN ISO 14971	Risk analysis
DIN EN 1041	Information provided by the manufacturer + Annex 1 of a medical product
ISO 7176-23	Wheelchairs - Part 23: Requirements and test methods for attendant-operated stair climbing devices
ÖNORM EN 12100	Safety of machinery - terms, general principles for design
DIN EN ISO 13485	Medical products – Quality management systems
DIN EN ISO60601-1-6	Medical electrical equipment - Part 1-1: General guidelines for safety; additional standard: Requirements for the safety of medical electrical systems
DIN EN 62366	Medicine devices – Applications of usability engineering to medical devices
EN 980	Symbols for labelling medical devices

SANO 
makes life easier.
